

CONTINUING EDUCATOR TRAINING

January to December 2021

The Pyramid Model promotes high quality evidence-based early educator practice (in line with the Early Years Learning Framework and the National Quality Standards). Educators' use of Pyramid Model practices increases the social-emotional competencies of all children, of the group as a whole, and of children with behavioural challenges. In addition, Pyramid Model practices support families with their parenting and enhance individual educator practices and educators' team-work. Australian evidence supports Pyramid Model practices as having positive impacts on outcomes for children, educators, educator teams and families.
